

## NEWS RELEASE

# EnGro Corporation Limited and its subsidiary company Top-Mix Concrete Pte Ltd attains bizSAFE Level 3 Certification

**SINGAPORE, 26 May 2011** – EnGro Corporation Limited and its subsidiary company Top-Mix Concrete Pte Ltd (“Top-Mix”) recently received the **bizSAFE Level 3 Certification** from the *Workplace Safety and Health Council*. This is another testament to EnGro and Top-Mix’s emphasis to uphold necessary safety standards within the Group.

We believe that a safe and healthy business is also a productive and profitable business. When accidents occur at workplaces, workers and their families suffer. Employers also suffer loss of business and profitability. Workplace deaths, injuries, and illnesses are expensive for businesses. Hence, we believe that investing in *Workplace Safety and Health* (“*WSH*”) makes good business sense.

It increases productivity, enhances corporate image and makes a positive statement about the values of the enterprise and good WSH standards contribute to our company's competitiveness.

>> The End

## **Notes:**

### **About EnGro Corporation Limited ("EnGro")**

EnGro has established itself as a leading specialty cement producer in Singapore. Since 2005, the Group has strengthened the supply-chain by leveraging on its GGBS joint venture production base in China coupled with its Pulau Damar Laut bulk-terminal cum logistics services undertaken by Top-Mix Concrete ready-mix concrete operations.

The extended supply chain allows EnGro to meet stringent requirement for specialty cement and high-performance concrete supply. With this integration, EnGro is able to undertake supply of voluminous quantity timely to prestigious mega projects. As the first local cement company granted the Singapore Green Label for its eco-friendly VCEM brand of GGBS products, EnGro is well-positioned to contribute to the growing green building needs of the regional construction industry.

EnGro has built 2 core businesses, namely the specialty cement and the specialty polymer. Operationally, it is driven by these 2 growth engines supplemented by evergreen venture capital (VC) investment activity in technology-driven business and selective property development projects.

EnGro is proud to be associated with the Friends of Building Sustainability (FBS) community of companies that initiate industry-led activities to spur the global green movement.

### **About Top-Mix Concrete Pte Ltd ("Top-Mix")**

Top-Mix Concrete Pte Ltd, is a wholly owned subsidiary of EnGro Corporation Limited.

Backed by EnGro's in-house R&D initiative, Top-Mix manufactures durable concrete using low heat high slag blastfurnace cement (LHPBFC or HSPBFC) for the most stringent civil/infrastructure requirements. With the support of EnGro's accredited lab, Top-Mix shall ensure quality, consistency of the concrete supply to its customers.

Top-Mix's track records include the supply of ready-mixed concrete to the new KK Women's and Children's Hospital, the Tan Tock Seng Hospital, the New Kranji Racing Course, POS Bank Tower, NTUC Building Development at Harbour-Front, Biomedical Research & Development at Buona Vista and many other Public and Private projects.

Currently, the three batching plants of Top-Mix concrete are located at Tampines, Fort Road and Tuas.

## **About bizSAFE**

The key principles of the Workplace Safety and Health (WSH) Act are to reduce risks at source, increase industry stakeholders' ownership and focus on achieving good WSH outcomes and systems rather than complying with prescriptive requirements.

bizSAFE is a five-step programme to assist companies build up their WSH capabilities in order to achieve quantum improvements in safety and health standards at the workplace. Companies are guided through a journey, starting from top management demonstrating their commitment towards WSH, to acquiring risk management capabilities and implementing a WSH Management System. In the process, participating companies gain recognition and benefits of having a comprehensive WSH system in place.
