About EnGro Corporation Limited (“EnGro”)

EnGro has established itself as a leading specialty cement producer in Singapore. Since 2005, the Group has strengthened the supply-chain by leveraging on its GGBS joint venture production base in China coupled with its Pulau Damar Laut bulk-terminal cum logistics services undertaken by Top-Mix Concrete ready-mix concrete operations.

The extended supply chain allows EnGro to meet stringent requirement for specialty cement and high-performance concrete supply. With this integration, EnGro is able to undertake supply of voluminous quantity timely to prestigious mega projects. As the first local cement company granted the Singapore Green Label for its eco-friendly VCEM brand of GGBS products, EnGro is well-positioned to contribute to the growing green building needs of the regional construction industry.

EnGro has built 2 core businesses, namely the specialty cement and the specialty polymer. Operationally, it is driven by these 2 growth engines supplemented by evergreen venture capital (VC) investment activity in technology-driven business and selective property development projects.

EnGro is proud to be associated with the Friends of Building Sustainability (FBS) community of companies that initiate industry-led activities to spur the global green movement.
